Adrenal Glandular

An important cofactor for adrenal cortex and adrenal medulla

- Stress
- Adrenal fatigue
- Fatigue
- Immune support

 Non-GMO  Gluten Free

PRODUCT DESCRIPTION

Pro Adrenal Glandular is a simple yet powerful adrenal support formula. It offers a high dose of hormone-free porcine adrenal gland extract from Denmark, along with vitamin C. Since it contains no herbal extracts, it can be safely combined with most medications without concerns of drug-herb interactions.

AOR ADVANTAGE

Pro Adrenal Glandular is an exclusive formulation available only to health care practitioners. The adrenal extract is from a porcine source, eliminating the risk of contamination with bovine spongiform encephalopathy (BSE). Furthermore, it is lyophilized (freeze-dried), a method of processing that eliminates the need for harmful additives and ensures beneficial proteins and cofactors remain intact. Sourced from Denmark, it is subjected to some of the highest regulatory standards for animal welfare and quality control. Additionally, the vitamin C is sourced from tapioca, making it suitable for those with common food sensitivities.

NPN: 80073507

60 capsules

Serving Size:

One capsule

Medicinal Ingredients:

Vitamin C (from tapioca)

125 mg

Porcine adrenal gland cortex

250 mg
