Magnesium Synergy

Helps maintain proper muscle function

- Energy production
- Muscle tension and weakness
- Sleep disorders
- Mood imbalance

PRODUCT DESCRIPTION

Pro Magnesium Synergy is a comprehensive magnesium formula that includes synergistic vitamins, minerals and amino acids. Together these support the absorption and efficacy of magnesium in the body.

Magnesium is involved in over 300 different physiological processes including supporting muscle function, energy production, sleep, cardiovascular health, and mood.

Pro Magnesium Synergy contains vitamin B6 and trace minerals that support ATP production, blood glucose levels, enhances nutrient metabolism and magnesium absorption.

AOR ADVANTAGE

Pro Magnesium Synergy provides the most absorbable forms of magnesium along with supporting nutrients, which further enhance its absorption and utilization in the body.
