

ANTIOXIDANT SUPPORT

NAC 900 mg

POWERFUL FREE RADICAL PROTECTION

SIMPLE ONCE-DAILY FORMAT

Provides nutritional support as an antioxidant to protect against free radical damage for the maintenance of good health. N-Acetyl-L-Cysteine is a sulfur-containing amino acid required by the body to make glutathione, a key antioxidant.

Pure NAC 900 mg provides 900 mg of N-Acetyl-L-Cysteine, and helps to:

- Scavenge free radicals and reduce oxidative stress
- Replenish depleted glutathione stores

Good for those who are looking to replenish glutathione levels.

The Research

N-Acetyl-L-Cysteine (NAC) is a derivative of the dietary amino acid L-cysteine.¹ NAC is a free radical scavenger and precursor to the antioxidant glutathione. Supplemental NAC has been shown to increase tissue levels of glutathione increasing the body's protection against oxidative damage caused by free radicals.²

Formula

Adults: Take 1 capsule daily with a meal or as directed by a healthcare practitioner. Consult a healthcare practitioner for use beyond 6 months.

Each capsule contains:

N-Acetyl-L-Cysteine **900 mg**
Non-Medicinal Ingredients: Vegetarian capsule (hypromellose, water), ascorbyl palmitate

NAC 900 mg	Quantity	Order Code	NPN
	120	NA91C-C	80067344

For additional antioxidant support, consider adding **Liposomal Glutathione** to your health routine.

Support your body's natural defence systems with one capsule daily
