

ThyroVantage HT[®]

Thyroid Support · Reinforces T3-T4 Function

- Provides nutritional building blocks for healthy thyroid hormone formation
- Includes tyrosine and key minerals for thyroid function, including iodine, selenium, copper, and manganese
- *Withania somnifera* (ashwagandha) and guggul extract stimulate thyroid function
- Pantothenic acid helps support adrenal gland responsiveness
- Suitable for vegetarians/vegans

Code: 9671 **NPN:** 80057582
Size: 90 Vegetarian Capsules
Actual Size: 23.42 mm x 8.42 mm

PRODUCT SUMMARY

Subclinical hypothyroidism is present in 10% of the adult population and, if untreated, it increases the risk for cardiovascular disease. As an adjunct to prescriptive treatment, ThyroVantage HT provides the nutritional building blocks for healthy thyroid hormone production, including L-tyrosine, an important nutritional precursor for thyroxine (T4). It also provides catecholamines, such as norepinephrine and dopamine, as supplementation has been shown to mitigate periods of stress. Potassium iodide provides iodine, which is critical to thyroid hormone formation and is deficient in 15–23% of women. Iodine supplementation among women with iodine deficiency has been shown to reduce both TSH and cholesterol levels.

ThyroVantage HT includes two herbs known to stimulate thyroid function: *Commiphora mukul*, shown to enhance T3 formation in animal studies, and *Withania somnifera*, which significantly improved TSH, T3, and T4 levels in patients with subclinical hypothyroidism in a prospective randomized and controlled trial. Selenium (as selenomethionine) is also included, as supplementation has been shown to reduce thyroid autoantibody levels (thyroid peroxidase) among adults, both when combined with levothyroxine and when given alone. Pantothenic acid provides additional adrenal support, with the minerals copper and manganese providing cofactor support for thyroid function.

THYROVANTAGE HT®
THYROID SUPPORT · REINFORCES T3-T4 FUNCTION

Serving Size: 2 Vegetarian Capsules

Servings Per Container: 45

Each Capsule Contains:

L-Tyrosine	250 mg
Ashwagandha Extract (<i>Withania somnifera</i>) (root) (1.5% Withanolides)	75 mg
Guggul Extract (<i>Commiphora mukul</i>) (gum oleoresin) (2.5% Guggulsterone)	60 mg
Pantothenic Acid (Calcium <i>d</i> -Pantothenate).....	50 mg
Copper (Cupric Gluconate)	250 mcg
Manganese (Citrate)	250 mcg
Iodine (Potassium Iodide)	50 mcg
Selenium (Selenomethionine)	25 mcg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 2–4 capsules per day (1–2 capsules with breakfast and 1–2 capsules with lunch) or as directed by a health care practitioner.

Recommended Use: Provides nutritional support for healthy thyroid function and synthesis of thyroid hormones. Stimulates energy production. Contains L-tyrosine, an amino acid that is needed by the thyroid to produce one of the most important hormones that control metabolism. A factor in the maintenance of good health. Helps to produce and repair connective tissue, and to form red blood cells. Helps to maintain the body's ability to metabolize nutrients, and helps in the development and maintenance of bones and tissue formation.

Caution: For adult use only. Consult a health care practitioner prior to use if you are following a low protein diet or have a history of non-melanoma skin cancer. Consumption with alcohol, other drugs, or natural health products with sedative properties is not recommended. Do not use if you are pregnant or breastfeeding. Keep out of reach of children.

Contraindications: No known contraindications, but should be avoided by pregnant and breastfeeding women.

Drug Interactions: Do not take with warfarin. Caution is advised if an MAO inhibitor is being used, due to a theoretical risk for elevated tyramine levels with tyrosine supplementation.

Contains no artificial colours, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
